

Recovery Coach Professional

Make a Positive Difference in a person's Health, Mental Health & Addiction Recovery Life

CCAR Nationally Acclaimed Curriculum Plus

Recovery All, Inc. presents the opportunity at a reduced cost to become a CCAR Recovery Coach Professional designation and a Florida Certified Recovery Support Specialist (CRSS). Over the course of training, CCAR trained staff will provide a comprehensive overview of the purpose of recovery coaching and explain the various roles and tasks a recovery coach may assume. The program will give participants useful tools and resources for providing recovery support services and emphasize the necessary skills for linking people in recovery to needed supports within the community as well as Ethics training for Recovery Coaches. Our education offering includes a macro in learning about the family.

A recovery coach is anyone interested in promoting recovery by removing barriers and obstacles in recovery and serving as a personal guide and mentor for people seeking or already in recovery.

At the conclusion of this training, participants will be able to:

- Describe the roles and functions of a recovery coach
- List the components, core values and guiding principles of recovery
- Build skills to enhance relationships
- Discuss co-occurring disorders and medicated assisted recovery
- Describe stages of change and their applications
- Address ethical issues
- Experience Wellness Planning
- Practice newly acquired skills
